

DATATRIBE

DataTribe Hosting “Side Channel – A Cyber Dialogue Event”

With the vision of investing and co-building next-generation cybersecurity and data science companies with nation-state experienced, DataTribe continues to lead the way when it comes to exploring the most innovative companies and ideas.

In partnership with [Greenspring Associates](#), [Ten Eleven](#), and [Port Covington](#), DataTribe is hosting “Side Channel – A Cyber Dialogue Event” on October 24 th at the Four Seasons Hotel in Baltimore.

The [invitation-only event](#) will feature presentations from leading-edge companies and panels with the leading minds in cybersecurity. Much like the [Global Cyber Innovation Summit](#), Side Channel will also offer fireside chats, and networking opportunities with industry leaders, including:

- **Michael Aiello, Director of Cloud Security Products at Google**
- **Ron Gula, President of Gula Tech Adventures**
- **Mike Janke, Partner at DataTribe**

Featured companies will include:

- Black Horse
- Ordr
- ReFirm Labs
- OneLogin, Inc.
- Strider
- Blue Hexagon
- Vulcan
- Attila Security
- KnowBe4
- Obsidian

To learn more about the requirements for receiving an invitation to this event, please email us [here](#).
